TOURNAMENT SUMMARY:	The course was in very good condition in spite of the drought. The first round was played on Wednesday with moderate wind later on in the round. The heat was just under 30°C, but thanks to the wind it was bearable. Woo-Ju Son led the championships after round 1 with Symone Henriques, Chiara Contomathias and Kiera Floyd within 1 shot of the lead.

BOLAND LADIES GOLF

	<p>Woo-Ju however put daylight between her and the other players in Round 2. We were able to seed the 3rd round, due to the field being so small. The 3rd round saw Kiera Floyd play a stunning 2 under, but Woo-Ju had done enough in the second round to secure a win.</p> <p>The B division stroke play was a battle between two Boland players from the start. The eventual winner was Meghan Streicher with Amore Steyn succumbing to the 18th hole's pitfalls and eventually finishing 3rd.</p> <p>The C division was won by Mikah Poonawassy from Kimberley and the D Division was won by Elzet Mostert.</p> <p>We thanked the Management and Staff of the Robertson GC, the greenkeeper and the course staff on a great course.</p>

COMMENTS	<p>It was noticeable how few entries we had. With school holidays starting a week later next year (2018), I would dearly like to move this tournament also a week later, maybe after the WP Junior championship. It still seems that few players can commit to such an early date in the year due to being away with their families on holiday – a most understandable situation.</p>
